

BOYS & GIRLS CLUBS
OF SOUTH CENTRAL KANSAS

2024 Annual Report

**BOYS & GIRLS CLUBS
OF SOUTH CENTRAL KANSAS**

As we reflect on the past year at Boys & Girls Clubs of South Central Kansas, we are filled with gratitude for the incredible experiences, growth, and impact we've shared. Every day, we see the difference a safe, supportive space makes in the lives of young people, and this year was no exception.

From an exciting summer filled with field trips to unforgettable partnerships with local first responders, Taco Bell, and First Tee, our members have had a year packed with learning and fun. Whether they were digging into Gardening Club or releasing butterflies at Botanica, each experience helped shape their confidence, curiosity, and sense of community.

Of course, none of this would be possible without the unwavering support of our donors, volunteers, and community partners. Your generosity fuels our mission, allowing us to create a space where kids can learn, grow, and thrive. As we look ahead, we invite you to continue standing with us—whether through donations, volunteering, or simply spreading the word about the life-changing work happening at Boys & Girls Clubs.

At the core of our organization lies a simple yet profound mission: to empower all young people, especially those most in need, to realize their full potential as responsible, caring citizens. This mission is our guiding light, inspiring us to create an environment that fosters academic success, character development, healthy lifestyles, and a strong sense of belonging.

Our mission's importance cannot be overstated. In a world full of challenges, our work extends far beyond providing after-school activities. Every program, every smile, and every success story reaffirms our belief that investing in our youth today shapes a brighter, more promising future for our entire community.

Thank you for standing beside us on this journey. Together, we are making a profound difference in young lives and building a future filled with promise and opportunity.

Thank you from the bottom of my heart!

OUR IMPACT

Where it All Started... A Legacy of Growth and Community Impact

Since our inception in 1990 with the opening of the "Oaklawn" Club, BGCSCCK has continuously expanded its footprint across South Central Kansas. In 2007, the opening of the Opportunity Drive Club marked a significant milestone in our efforts to reach more children and families. Growth continued in 2022 as the Board's visionary leadership led to expanding in the Maize, Emporia, and eventually Derby communities. As we reflect on 2024—a year of profound impact—we also look ahead to celebrating our 35th anniversary in 2025. This milestone is a testament to the dedication of our community, supporters, and staff who have made BGCSCCK a cornerstone of youth development in South Central Kansas.

YEARLY IMPACT

Our doors were open 210 days this year for before and after school programs as well as all day summer programming. Our commitment persists in nurturing GREAT futures by empowering our members to achieve their utmost potential through our core pillars: fostering healthy lifestyles, promoting academic success, instilling good character & leadership, and exploring careers and opportunities for their future.

THE CLUB EXPERIENCE

YOUTH OF THE YEAR

The Youth of the Year (YOY) title is a prestigious honor bestowed upon an exemplary young person in recognition of leadership, service, academic excellence, and dedication to live a healthy lifestyle. In order to compete, candidates must be at least 14 years old, a member for more than two years, write three essays, be involved in the community, interview with a panel of judges, and prepare a 3-5 min speech.

Justice's Story

Justice is a proud BGCSCK member for six years, and as a third-generation Club member, her connection runs deep. She first joined the Club when her foster mom enrolled her to connect with her sister, who was living in a separate home at the time. The Club not only helped them bond but also provided a safe, nurturing space for Justice to grow.

“Being at the Club has helped me build skills in communication, academics, leadership, and problem-solving—I’m so thankful for that,” says Justice.

Thanks to our generous sponsors, Justice received over \$2,000 in college scholarships! This year, Justice is a Junior in ROTC, and she looks forward to what the future holds for her!

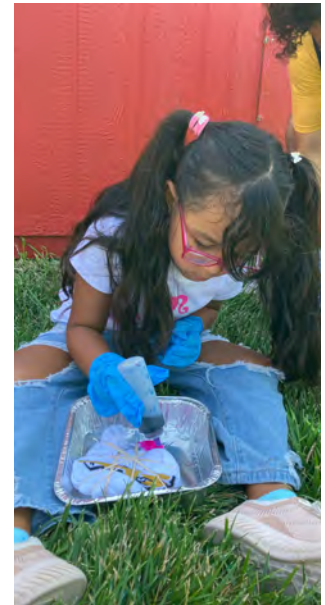

The Boys & Girls Club has made me feel welcome and showed me that I’m not alone. It’s given me a place to grow, make friends, and build confidence.
