

**BOYS & GIRLS CLUBS**  
OF SOUTH CENTRAL KANSAS

Dear Boys & Girls Clubs of South Central Kansas Families,

I hope all of you are well and staying safe. I wanted to send a quick message to tell you about an exciting project the team has been working on and update you on a few other things.

### **VIRTUAL CLUB PROGRAMMING:**

In an effort to continuously serve members during the Club closure, the team has worked hard to prepare content for our virtual Club programming. This means our Club staff are facilitating short program activities through online platforms. We are using software, tools, and applications provided by third parties that members, parents/guardians and/or staff will access via the internet and use for the purpose of communicating our programming. These platforms include but may not be limited too [Facebook](#), [YouTube](#), [TextCaster](#), Zoom, and/or Microsoft teams.

In order for you to access our virtual programming, you will need to go like our [Facebook page](#) or subscribe to [our YouTube channel](#). You can find us by searching for Boys & Girls Clubs of South Central Kansas on both platforms.

Our commitment to keeping the young people we serve safe is always our number one priority. We will actively monitor activity on these sites and will make every effort to protect members by ensuring there is no advertising and that no member information is collected for commercial purposes.

### **SUMMER UPDATE:**

At this time, we still plan to offer our summer programming and we will communicate with you once we are able to open up enrollment again. In the event that this changes, please make sure you are following us on our [Facebook page](#) and are signed up to receive messages through [TextCaster](#).

### **REFUNDS FOR PROGRAM FEES:**

At this time there will be no refunds for the after-school program fee. Even though we are closed, our work continues. Essential staff are working remotely and on-site to enhance our programming offerings virtually, planning & prepping to ensure we are prepared for when we can open, and preparing dinner-to-go bags each week.

Our commitment to you and your children continues to be unwavering. As always, feel free to reach out with any questions but know we will continue to communicate with you through email and/or our [TextCaster](#) app.

Sincerely,
