Fall 2020 Roadmap

We know that families are trying to prepare for the upcoming school year. To assist with that planning process, the Boys & Girls Clubs of South Central Kansas has put together a roadmap for providing services. These guidelines & considerations are based on the best available public health data at this time & are subject to changes & updates.

Additional information regarding new enrollment processes will be sent out by July 31st.

We will never change *WHAT* we do, sometimes we just have to change *HOW* we get it done.
