The priority of Boys & Girls Clubs of South Central Kansas is the physical and emotional safety of its members, staff, and volunteers. Boys & Girls Clubs of South Central Kansas maintains a zero-tolerance policy for child abuse. Boys & Girls Clubs of South Central Kansas implements policies and procedures for members, employees, volunteers, visitors or any victims of sexual abuse or misconduct to report any suspicion or allegation of abuse.

DEFINITIONS

One-on-Contact Prohibition: Boys & Girls Clubs of South Central Kansas prohibits isolated one-on-one interaction between Club participants and staff or volunteers, including board members. This includes prohibiting one-on-one contact at any time at the Club, in vehicles or by phone, text, social media, or any other means.

Exceptions may only be made when delivering approved medical or counseling services by a licensed, trained therapist or similar professional according to professional guidelines. All staff and volunteers, including minor staff (under age 18), are prohibited from meeting Club participants outside of any Club-sponsored activities. The only exception to this rule is if the Club participant is a child or sibling of a staff member or volunteer.

Child abuse is when an adult or another child, whether through action or by failing to act, causes serious emotional or physical harm to a child. Sexual abuse or misconduct may include but is not limited to:

- Any sexual activity, involvement or attempt of sexual contact with a person who is a minor (under 18 years old).
- Sexual activity with another who is legally incompetent.
- Physical assault or sexual violence, such as rape, statutory rape, abuse, molestation, or any attempt to commit such acts.
- Unwanted and intentional physical conduct that is sexual in nature, such as touching, pinching, patting, brushing, massaging someone's neck or shoulders and/or pulling against another's body or clothes.
- Inappropriate activities, advances, comments, bullying, gestures, electronic communications, or messages (e.g., by email, text, or social media).

Grooming is when someone builds an emotional connection with a child to gain their trust for the purposes of sexual abuse, sexual exploitation, or trafficking. Grooming behaviors may include but are not limited to:

- Targeting specific youth for special attention, activities, or gifts.
- Isolating youth from family members and friends physically or emotionally. This can include one-on-one interactions such as sleepovers, camping trips, and day activities.
- Gradually crossing physical boundaries, full-frontal hugs that last too long, lap sitting or other “accidental” touches.

REQUIRED TRAINING
